

CLASSICAL WORK OF 9M CITY BUS XMQ6900J

Appearance

XMQ6900J is a new updated vehicle type. It has passed the WVTA certificate successfully in 2010. Its upright and foursquare shape well matches with smooth line, and the simple style is to the taste of European. The reasonable compact space goes with elegant interior finishing, emergency exit and specially designed seats for disabled, all of these build a comfortable and safe environment for passengers. The vehicle is also able to be equipped with On-board vehicle management system as requested by the fleet operators. With low entry design which is stable and safe, the bus body features special "Inerting" function, making it convenient for passenger's boarding and alighting of the bus. The elaborated forging in every detail of the vehicle will certainly make a great coup in European market.

Interior

Humanized design, large amount of integral molding parts are adopted to be both practical and elegant, which enhances the comfort of the driving space and bring appreciable and cozy traveling experience.

Technical Specifications

MODEL	XMQ6900J
DIMENSIONS	
Length*width*height (mm)	9170*2480*3140 (with A/C)
Wheelbase (mm)	4200
Front overhang/rear overhang (mm)	2175/2700
Approach angle/departure angle	7.8/6
CAPACITY	
Seating arrangement	23+1+1
Fuel tank capacity (L)	80+80
ENGINE	
Brand	COMINS
Model	498L753 2108
Emission standard	Euro V
Rated power (kW/hp)	180/130
Rated torque (N.m/kp.m)	350/250
Displacement (L)	6.7
TRANSMISSION & CLUTCH	
Transmission	ZF 6HP 1300, 4T
Clutch	None
AXLES	
Front	China front independent axle (including suspension)
Rear	China rear axle
SUSPENSION	
Suspension system	China air guiding air suspension
STEERING	
Steering system	ZF
BRAKE SYSTEM	
Brake mechanism	Front/m rear disc
Type	ABS/EBD/ABS/ESP
Brake system	Wabco ABS/ASR

BODY	
DOOR & WINDOW	
Doors	Front single in-entry door
Side Windows	Privacy tempered glasses
SEATS	
Driver	China adjustable damping suspension driver seat
Passenger	City bus special seat
AIR CONDITIONER	
Type	King Long roof-mounted dependent A/C
HEATER	
Type	Webasto heater with independent defroster
MIRROR	
Type	Canada Laceris imported rear view mirror
OTHER STANDARD EQUIPMENTS	
ABS/ESP/EBD system, safety door-opening monitor, get off call, front/rear side guideboard, wheelchair teleopic footboard, internal information display board
